

THE PRAIRIE LAKE RESORT WHERE FISHIN' - FUN - AND RELAXATION COME NATURALLY!

Wildwood Resort offers you clean, modern, well-equipped housekeeping cottages with full kitchens (including microwaves), showers, toilets and hot and cold running water. All cottages are carpeted, have automatic gas heat, and extra-firm full size beds for your comfort. Some units have fireplaces and screened in patios. Cottages are as close as 25 feet to the water. Just bring your family and personal gear, including bath and kitchen towels, and your ready to relax and enjoy your vacation the Wildwood way.

Wildwood Resort is situated on a beautiful private point on the west side of *Prairie Lake*, a 1,500+ acre lake that is the largest of the six lakes known as the *Chetek Chain of Lakes*. 18 Acres of tall, cool pines and shady oaks and maples make Wildwood an ideal place to forget about business, leave your cares behind and soak up plenty of sunshine and relaxation. Your activities are not planned, whether it be fishing or taking in the sights and other recreational opportunities. *The Chetek Chain* is comprised of six inter-connecting lakes, 125 miles of shoreline and over 3,800 acres of water teeming with bluegill, crappie, perch, walleye, northern and bass. Should you tire of all that good fishing, how about a scenic boat ride, water skiing, floating picnics on our pontoon boats *or sunning and swimming in our heated swimming pool*.
